TO ALL FACULTY AND STAFF

An advisory committee has been established by the Board of Governors to make recommendations regarding appointments for the following positions in the new Faculty of Arts and Science:

Vice-Rector, Academic for Arts and Science

Senior academic administrative officer      Division 1

Senior academic administrative officer      Division 2

Senior academic administrative officer      Division 3

Provost

The Faculty will come into existence on July 1. The advisory committee will begin to meet in the near future.

Nominations or applications for any of the five positions should be sent to the Rector, as chairman of the advisory committee.
